

# **Call for Abstract**

## **The 28<sup>th</sup> Japan Conference on Radiological Technologists (JCRT2012)**

The 28<sup>th</sup> Japan Conference on Radiological Technologists (JCRT2012) will be held from Sep 28th to 30th in 2012, at Nagoya Congress Center, Nagoya, Japan. The 28<sup>th</sup> Japan Conference on Radiological Technologists (JCRT2012) is hosted by Japan Association of Radiological Technologists (JART) and Aichi Association of Radiological Technologists (AART). The conference theme is “Collaborate with the Nation and Medical Person, and High Quality Medical Care”. Topics and workshops include more than 10 aspects in the field of education and radiological technology. Outstanding scientists were invited to give educational lecture, special lecture, keynote symposium, and theme symposium. Further information about the JCRT2012, please visit [www.aart.or.jp/28jcrt/index.html](http://www.aart.or.jp/28jcrt/index.html)

### **Conference Key-Words :**

Medical Safety, Radiation Safety, Radiology Equipment Safety, Medical Imaging Management, Medical Imaging and Information, X-ray Imaging, Radiographic, Gastrointestinal Series, Angiography, Computed Tomography, Magnetic Resonance Imaging, Ultrasonography, Bone Density, Nuclear Medicine, Single Photon Emission Computed Tomography, Positron Emission Tomography, Radiation Therapy, Head and Neck Radiology, Chest Radiology, Abdominal Radiology, Bone and Soft Tissue Radiology, Cardiovascular Radiology, Mammography, Interpretation, Education, Others

### **Important Date:**

Abstract submission deadline: May 31st, 2012

Notice of acceptance deadline: June 30th, 2012

Author registration deadline: August 30th, 2012

Early bird registration deadline: August 30th, 2012

### **Registration Fee:**

Early bird registration fee: US\$150 (including banquet)

Standard bird registration fee: US\$200 (including banquet)

### **Submission of Abstracts:**

We are pleased to invite participants to submit abstracts (within 200 words) for consideration in the final program in JART Proceedings. The abstract should state the **Purpose** of this study, **Material and Methods**, **Results** (most important findings), and principal **Conclusion** with an emphasis on the new aspects of this study. The oral presentation is 10 minutes in length. Please plan on preparing a 7 minutes oral presentation.

To submit an abstract, please refer to the e-mail: [aichi2012@jart.or.jp](mailto:aichi2012@jart.or.jp).

If you have any question about the JCRT2012, please do not hesitate to contact the program committee Dr. Naoki Kodama (e-mail: [n\\_kodama@jart.or.jp](mailto:n_kodama@jart.or.jp)).
